

Rules and deadlines for the video competition, IBO2015

1. Topic of the video: "IBO and me"

The video should focus on your team's vision about the International Biology Olympiad. We are looking for creative and innovative ideas. You can always be humorous; after all you want your ideas to be watched.

You can possibly:

- show how parts of the National Biology Olympiad are carried out in your country;
- show how your national team prepares for the International Biology Olympiad.

(You can look at the previous years films on the IBO website: [Photo & video](#))

2. Duration of the video

Maximum 4 minutes

3. Language

English (or with English subtitles, see <http://universalsubtitles.org>)

4. Deadline

July 1st 2015

Your video should be already available on-line (on YouTube) before 1st of July 2015. Please submit the link (URL) of your video to IBO webmaster: gerard.cobut@naturalsciences.be and IBO2015@au.dk.

5. Prize

The winning team will be eligible for a prize of € 250 for purchasing science textbooks, donated by the IBO Coordinating Center. The winning team will be called on stage during closing ceremony and the film will be presented. If the corresponding filmmakers were competitors in the National Olympiad but not

selected for the IBO team, the prize will be given to the delegation. The decision of prize distribution will be up to the delegation coordinator.

6. Adjudication

- First round: before IBO 2015, the coordinators of the participating countries will select five films according to the competition aims (cf. 1).
- During the IBO week, the students will select the winning film from those five.

Jury decision is final. Only one film per country is accepted. If there are less than 3 participant videos, the prize will not be awarded.

7. Copyright

Participants in the video competition transfer the copyright of their film to IBO, allowing the film to be used for promotional purposes for National and International Biology Olympiads.

Please make sure that submitted videos do not infringe other's copyrights,

see: http://www.youtube.com/t/howto_copyright

8. Technical aspects

- Please make sure your film can be viewed on full screen: see compression guidelines on <http://www.vimeo.com/help/compression>
- The name of your country has to be mentioned in the beginning of the film.
- Your team coordinator should bring a copy of the film to IBO 2015 in Aarhus, Denmark (please use a common/classic format).
