

# SCIENCE FOR THE ENVIRONMENT – ENVIRONMENT FOR SOCIETY

**Bridging the gap between scientists and practitioners  
in environmental science**

International conference in Denmark (Aarhus)  
5-6 October 2011

## Speakers include

- **Andrew Sharpley**, Professor, Soils and Water Quality, University of Arkansas, US
- **Brian Kronvang**, Professor, National Environmental Research Institute (NERI), Aarhus University, Denmark
- **Roger Owen**, Head of Ecology, Scottish Environmental Protection Agency, UK
- **Douglas Evans**, Senior Officer, European Topic Centre – Biological Diversity
- **Torben Sigsgaard**, Professor, Institute of Environmental and Occupational Medicine, Aarhus University, Denmark
- **Atte Moilanen**, Professor, Department of Biological and Environmental Sciences, University of Helsinki, Finland
- **Stefano Galmarini**, Scientific project leader, Joint Research Centre (JRC-IES), European Commission
- **Simone Bastianoni**, Professor, Ecodynamics Group, University of Siena, Italy
- **Carsten Nesshöver**, TEEB Scientific Coordinator, Helmholtz Centre for Environmental Research – UFZ, Germany
- **William Sutherland**, Miriam Rothschild Professor of Conservation Biology, University of Cambridge, UK

Opening address by **Lea Kauppi**, Chairman of Partnership for European Environmental Research (PEER), Director General of the Finnish Environment Institute (SYKE), Finland. **Ronan Uhel**, Department head, European Environment Agency. **Marianne Thyrring**, Permanent Secretary, Danish Ministry of the Environment. **Lauritz B. Holm Nielsen**, Rector of Aarhus University.

### Main topics are

**Meeting European environmental legislation**  
– the Directives under scrutiny

**2010 behind us**  
– is biodiversity in free fall?

**A low impact, low carbon economy**  
– socio-economic implications for eco-systems  
and human health

**Making decisions**  
– management tools for the future
