The abstract should ideally be prepared as a document as shown here and detailed below. Upon submission the abstract should be **uploaded as a pdf file no larger than 10 Mb**.

The abstract (written in English) must fit on **one** A4 page with page margins of 2.0 cm and using single line spacing for the text. Please use 11pt Arial (or Helvetica) font for the body of the abstract and author affiliations, 12pt for author names, 16pt for the title, and 10pt for the reference section. The name of the presenting author attending the conference should be underlined in the author list. References are cited in the text like this [1] and should be formatted as shown in the reference section below.

The abstract may include equations and figures and should be embedded in the abstract document. Abstracts will be distributed to participants electronically so full colour figures may be included.

NOTE: It is the author's responsibility to read through the abstract carefully before submitting it.
