

HOTEL BOOKINGS FOR SSN18

BOOK YOUR STAY IN AARHUS AS SOON AS POSSIBLE!

Heads up all SSN18 guests. The conference in 2018 coincides with a big and very popular music festival in Aarhus entitled Northside. Hotels, Airbnb's and the like fill up quickly and way in advance, as the venue does not offer any housing-opportunities. We urge you all to consider booking your stay here as soon as possible. To ease the process and secure fair prices we have made special arrangements with some hotels available for booking now. First come, first serve:
