

MARKET DRIVEN OR OPEN-ENDED HIGHER EDUCATION?

Theme 6

ORGANISATION OF THEME 6

2 sessions:

- plenary session
- parallel session (workshop)

ORGANISATION OF THE PLENARY

This session:

3 vignettes

- Corina Balaban (Aarhus University)
- Benedikte Custers (University of Porto)
- Sina Westa (University of Ljubljana)

2 invited speakers

- Jan Masschelein (University of Leuven)
- Sarah Amsler (University of Lincoln)

VIGNETTE 1

Corina Balaban (Aarhus University)

A range of responses from policy officials, stakeholders and students about the **mission of doctoral education** (on a spectrum from market driven to open-ended):
insights from the EU

A word cloud centered around the words 'market' and 'Economy'. The words are in various shades of red and orange. 'market' and 'Economy' are the largest words. Other prominent words include 'official' in yellow, 'economy', 'prepare', 'EU', 'really', 'entrepreneurial', 'settings', 'need', 'future', 'become', 'ultimate', 'etc', and 'Employable'.
