- 01 Who am I?**
- 02 Do you have the same perceptions as my peers and me?**
- 03 The future for engineering education in sustainability?**
- 04 Q&A**

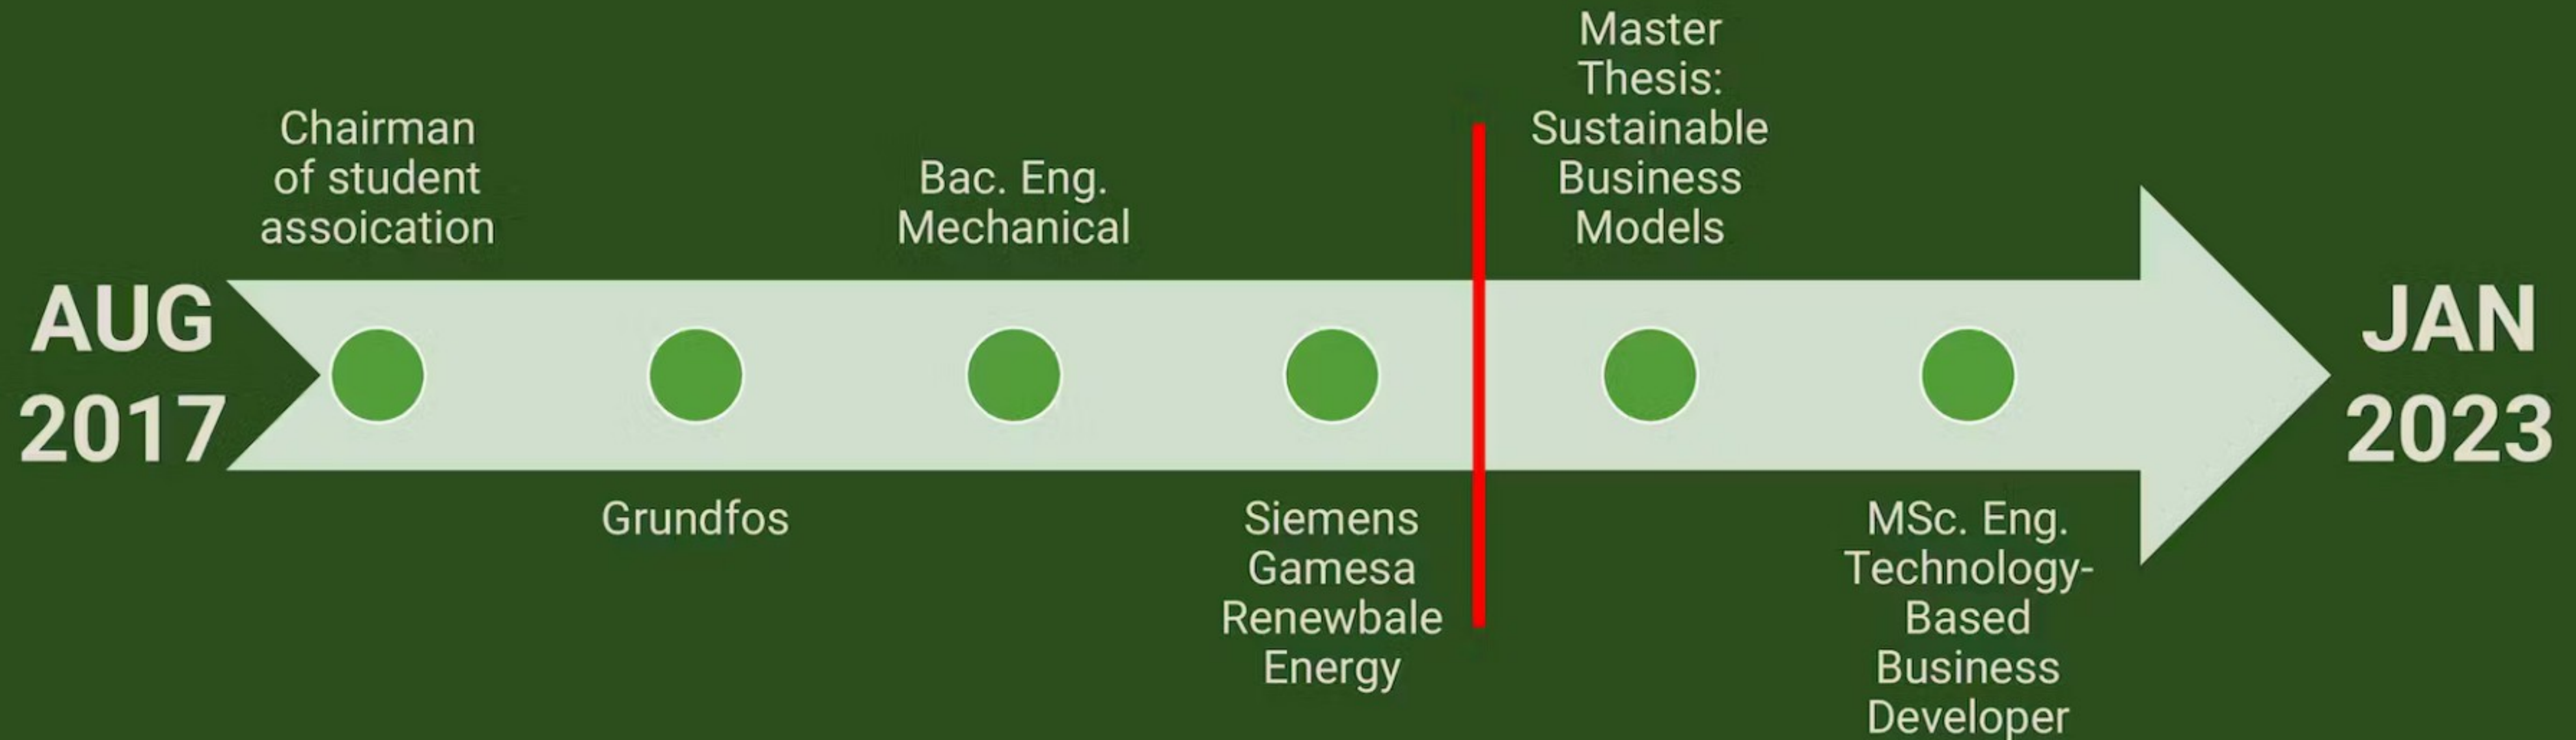

01

Who am I?

From mechanical engineer to (sustainable) business developer

From mechanical engineer to (sustainable) business developer

“

Do not use
Green or *Sustainable*
in your title afterwards, as it
only a trend description

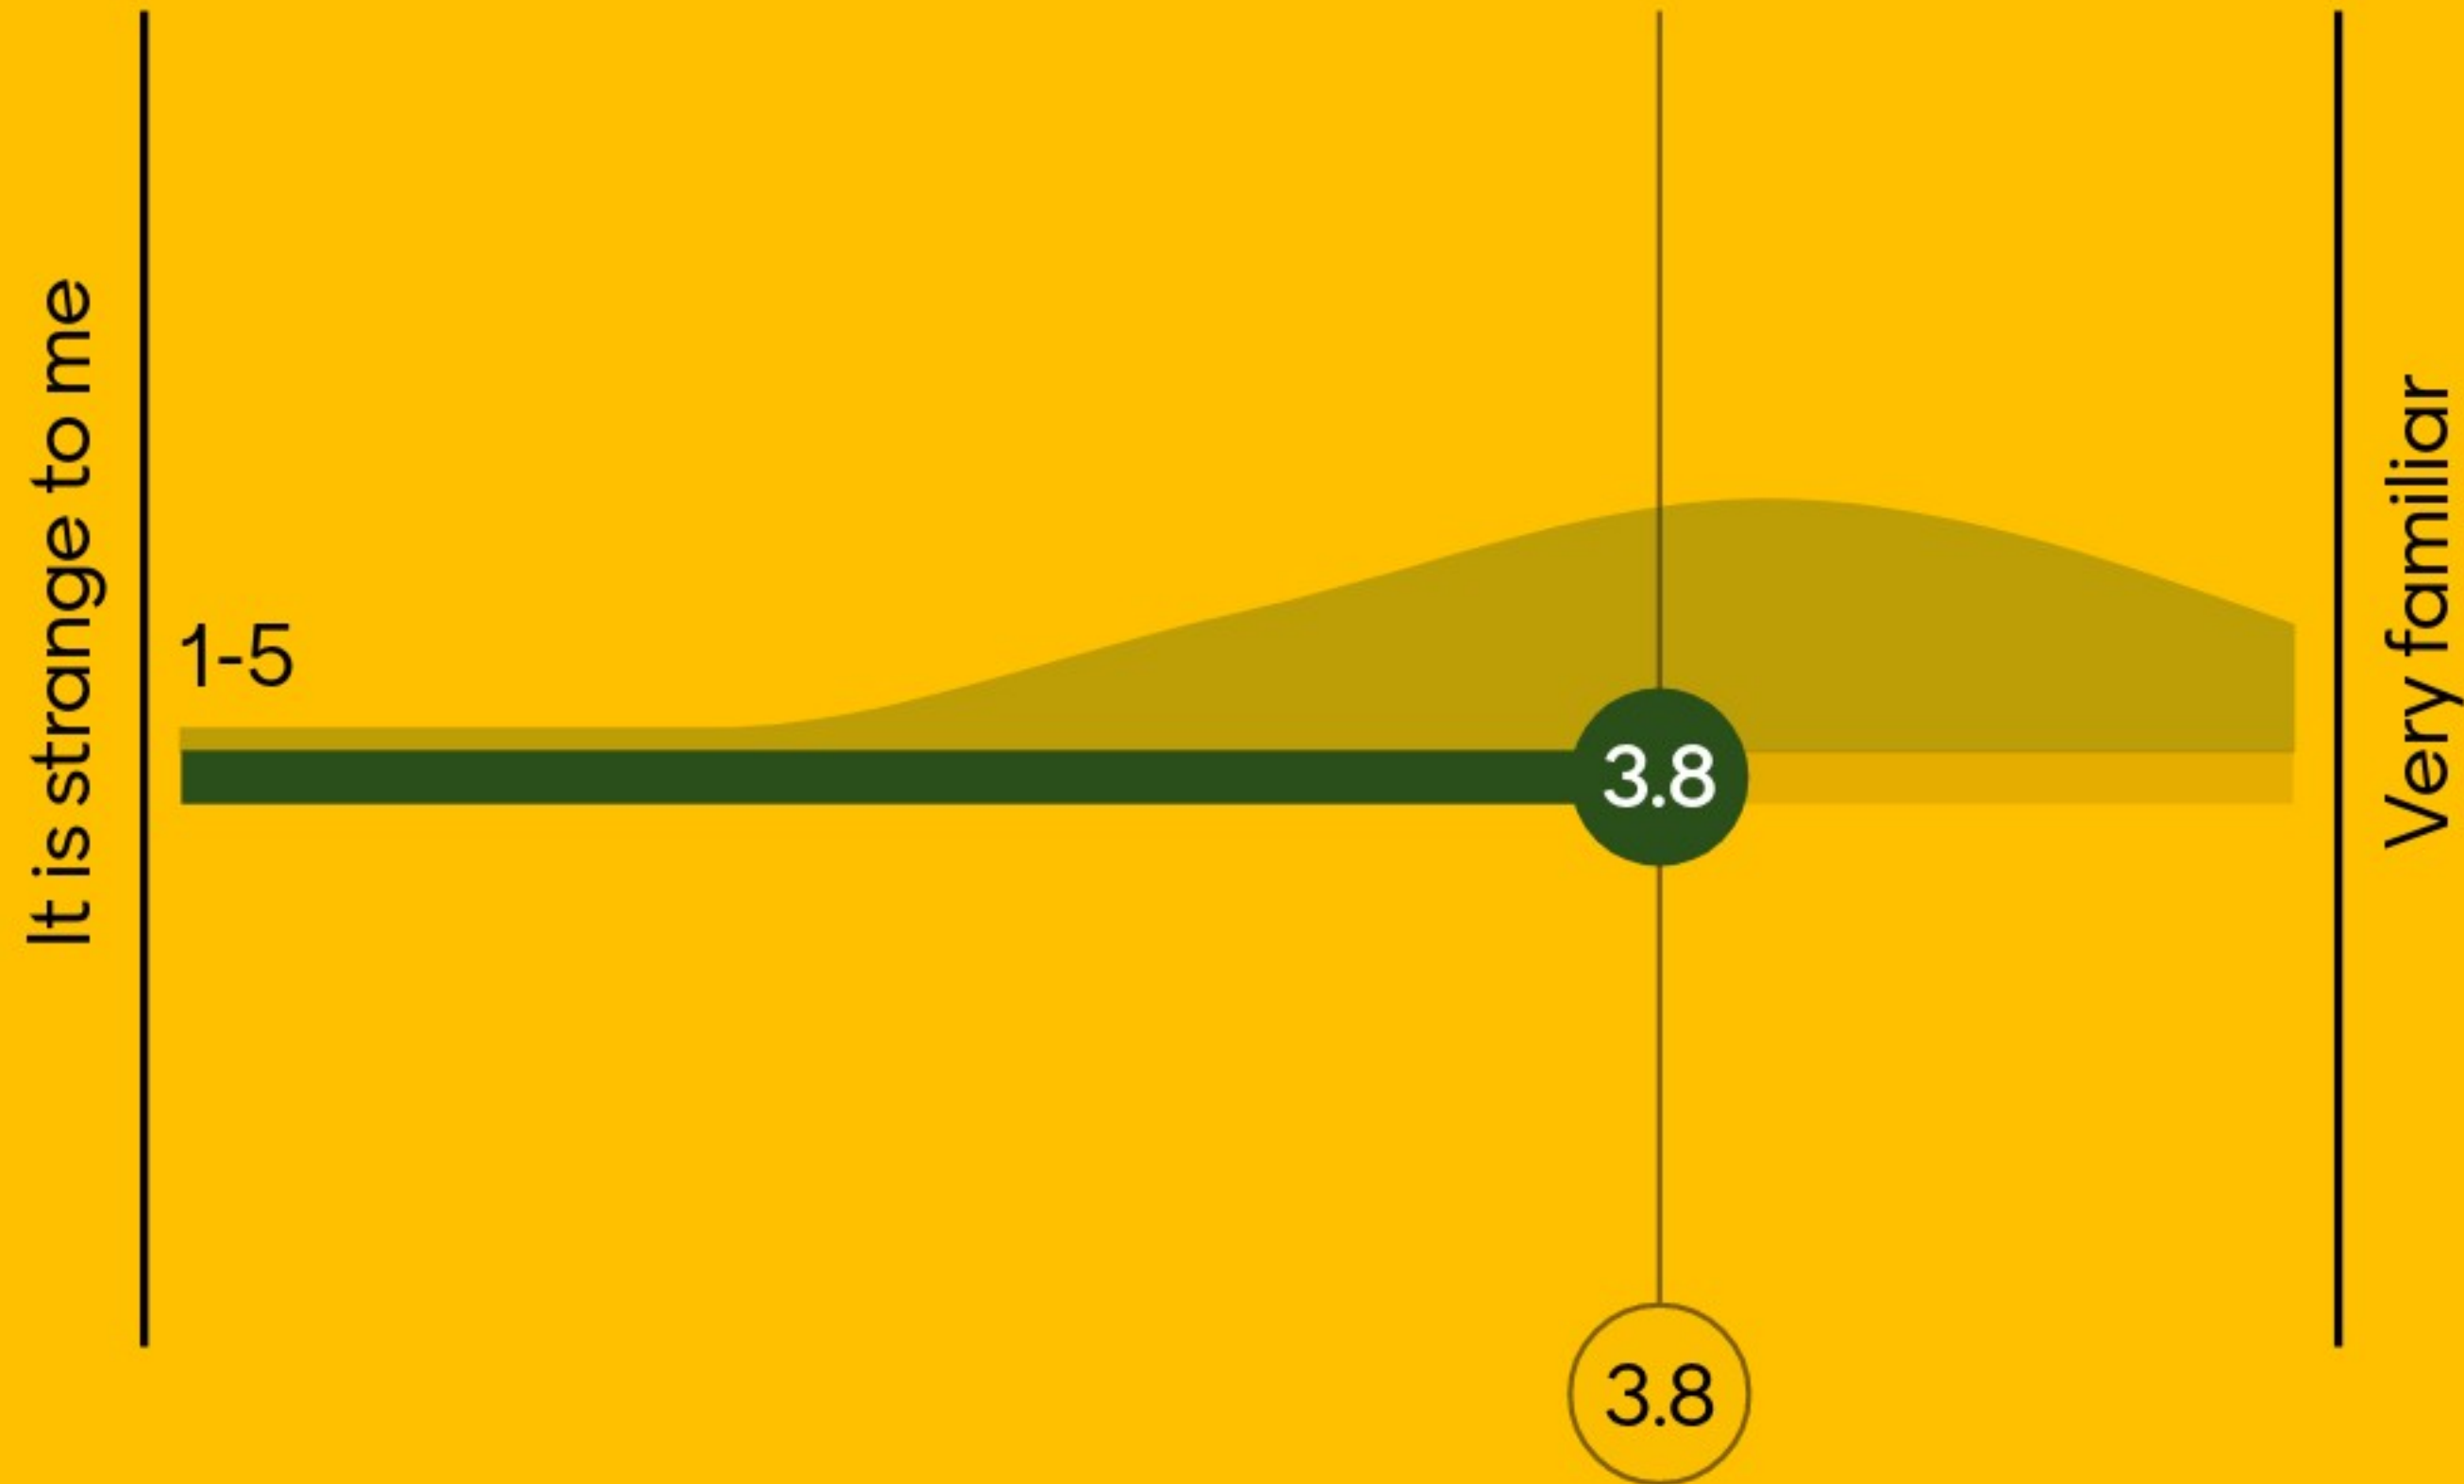

- Head of Master program
Technology-based Business Development

02

**Do you have the
same perceptions as
my peers and me?**
