

# MOLEC 2024

24<sup>th</sup> European Conference on the dynamics of Molecular Systems,  
30.06 - 05.07, NAVITAS, Inge Lehmanns Gade 10,  
8000 Aarhus, Denmark.

The 24<sup>th</sup> MOLEC aims to highlight the experimental and theoretical research conducted to pursue a better understanding of atomic and molecular interactions. This field covers a wide variety of topics of which some are listed in the following:

- Chirality
- Cluster, droplets and liquid jets
- Cold chemistry and reaction dynamics
- Astrophysics and astrochemistry
- Advances in theoretical chemistry
- Chemistry in solutions, at surfaces or in cavities
- Structural dynamics
- Ultrafast chemistry and attosecond spectroscopy

The conference is expected to attract about 150 participants. We welcome members of the industrial sector to the conference and offer the following exhibition and sponsoring options:

- **Exhibition package:** 11000 DKK  
Includes the conference admission + meals/refreshments + conference dinner for 1 person, as well as a space to showcase products and advertisements (3m x 2m).
- **Poster sponsor package:** 15000 DKK  
Includes the exhibition package for 1 Person and makes you the sponsor of the poster prizes with acknowledgment in the conference book, on the webpage and at the conference dinner. Also, grants the opportunity to display branding at the conference dinner.
- **Conference sponsor package:** 20000 DKK  
Includes the exhibition package for 2 persons and acknowledgment in the conference book, on the webpage and at the conference dinner. In addition, it reserves the opportunity to display appropriate branding at the conference dinner and the auditorium.

Registration and more details at [events.au.dk/molec2024conference](https://events.au.dk/molec2024conference).
