

Description:

The Special Interest Group (SIG) on *Equity, Africa, and Collaboration for the SDGs in the Global South* is a dedicated forum within the SANORD network focused on promoting sustainable development and advancing equity in Southern Africa and other Global South regions.

This SIG will engage with critical issues related to social, economic, and environmental equity, while fostering collaboration aimed at effectively achieving the Sustainable Development Goals (SDGs). Interested colleagues are encouraged to join and contribute to the forum's discussions.

Facilitators/coordinators:

- Dr Umesh Bawa
- Dr Sam Akol Kasimba
