### Registration, information and links

#### Early bird registration

Deadline: passed

#### Late registration

Deadline: 17th April 2026 at 3pm CET

- › Regular participant - DKK 9000
- › Student participant - DKK 7500

#### Accommodations

Accommodation at the venue is included in the registration fee.

- › Students registering early can share accommodation, reducing the fee. Please note that you will need to agree with the student you are sharing the room with - and name each other in the registrations.
- › If you want to bring an accompanying spouse, please write [EWEGaD26@au.dk](mailto:EWEGaD26@au.dk) to ask for a direct registration link

#### Registration link

To proceed to workshop registration, follow the link below. Please note that you can change language and go to the registration page in the top bar.

### Abstract submission

Speaker and poster abstracts are submitted via the form below.

Please use the [template](#), and submit as a PDF file.

One page and one figure only. Please name as: last name, initial first name, type of presentation.

#### Deadline for abstract submission for a talk has passed

#### Special Post-Deadline Call: Highlight Talks

We are opening a limited post-deadline call for Highlight Talks to showcase late-breaking, high-impact results that have emerged since the regular abstract deadline. This call is intended for exceptional new results that are timely and exciting, and that merit oral presentation at EWEG/2D. A small number of highlight slots has been reserved for particularly impactful and time-sensitive contributions.

#### Poster Abstracts – Submission Still Open

Poster abstract submission for EWEG/2D remains open until April 5, 2026. We warmly encourage poster submissions from across the community, including very recent results, work in progress, and emerging ideas that would benefit from discussion at the conference.

#### Deadline for both Highlight Talk and poster abstracts: April 5, 2026

Please use the standard abstract template available on the EWEG/2D website.

Click on the registration link in the red box and it'll take you to the next page below.
