## 8<sup>th</sup> Circular letter, April 2013

Dear Colleagues.

The planning of *Colloquium Origenianum Undecimum* proceeds smoothly and we are looking forward to welcome all of you here in Aarhus.

Please, be aware that it is time to register for the conference. **The deadline is June 1.** The registration must be done via the conference home-page <http://conferences.au.dk/origeniana/>. If you experience any problems, please contact Gitte Grønning Munk ([ggm@adm.au.dk](mailto:ggm@adm.au.dk)).

Accommodation should be booked directly at one of the hotels which are mentioned at the conference web-page.

It is still possible for us to support a few PhD students who will present their work at the PhD seminar which is attached to the conference. Please write an e-mail to Maria Munkholt Christensen ([mlc@teo.au.dk](mailto:mlc@teo.au.dk)) as soon as possible if you or any PhD-students whom you know want to pursue this possibility.

We are looking forward to see you in Aarhus in August.

On behalf of the organizers
