

Readiness for **Group B Streptococcus** Maternal Immunisation Symposium

Photo: Adam Mørk

A turning point for GBS across Europe and worldwide

Where: Radisson Blu Scandinavia Hotel, Aarhus, Denmark

When: 2-4 September 2026

Host: Aarhus University with the
GBS Vax-Ready European Consortium

Why should you join?

- International meeting to accelerate maternal GBS vaccine readiness across Europe and contribute to faster impact around the world
- Gain insights from state-of-the-art plenary talks from leading experts
- Collaborate on key outputs, including improved burden measurement and comparability (especially in routine surveillance), collated research priorities, and strategies to leverage more funding
- Benefit from subsidised registration for students and LMIC attendees
